

Dual Enrollment Applying to Lanier Tech

1. Apply to [Lanier Tech online](#)

Make sure you select the “Dual Enrollment” option in the drop down box when asked for **Application Type** to avoid fee. If your student plans on taking LTC classes through Early College, [apply to EC online](#) as well.

If your student plans on taking LTC classes through LCCA, [apply to LCCA](#) too.

2. Qualifying Scores

Entrance Testing Requirements for each college partner:

Lanier Technical College*:

Degree/academic courses:

SAT: 24 Math, 26 Writing and 25 Reading;
OR ACT: 16 ENG, 19 Math and 17 Reading
OR Accuplacer (free at your high school): Reading 64, Sentence 70, Arith 34, and Alg 57
OR Hope GPA of 2.6 for academic entrance (only after completion of sophomore year)
OR PSAT may be used for 2019 admissions!
PSAT (Core Academics) – Rdg (23) W (24) M(22)

Any student may use a qualifying ACT or SAT score.

Rising 9/10th grader: May also use Accuplacer

Rising 11th grader: May also use Accuplacer OR PSAT

11th grader: May use Accuplacer, PSAT OR HOPE GPA (2.6)

Certificate Courses: Accuplacer Reading 55, Sentence Structure 60 and Arithmetic 34

OR GPA admissions may be used for some classes!

OR PSAT (Certificate Courses) – Rdg (22) W (23) M(20)

3. Sign up to take the Next-Generation ACCUPLACER in Student Services if you do not have SAT or ACT scores or other qualifying scores.

4. Complete Next-Generation ACCUPLACER practice at this link. [Test Preparation Resources](#)

5. Schedule an appointment with your counselor to discuss class options and complete a participation agreement.

6. Contact Early College at 678-725-7026 to schedule your Lanier Tech classes through Early College. Contact carol.summer@hallco.org if you wish to schedule your Lanier Tech classes at LCCA. If you would like to take classes on the main campus (on 365 North) you will need to follow the instructions on your acceptance letter AND attend a Lanier Tech Orientation Session. Please send your completed Student Participation Agreement form to charmon@laniertech.edu after you have been accepted but before your orientation session.

7. Complete the [GA Futures funding application](#) to ensure the classes are paid for.

****A new application must be submitted each semester****

For questions please contact Courtney Harmon at charmon@laniertech.edu.
